78TH

ANNUAL GENERAL BODY MEETING 2025-26

Anjuman-I-Islam Secretariat,
92, Dr. D. N. Road,
Opp. C.S.M.T., Mumbai- 400 001.
Tel. : +91 22 2262 0177 / 2264 1325
Email : info@anjumaniislam.org

On 15th August 2026, Anjuman-I-Islam celebrated India's Independence Day with patriotic spirit and enthusiastic participation across its institutions.

Anjuman-I-Islam celebrated the Republic Day with participation from our its institutions with Dr. Zahir Kazi, Padma Shri Awardee, President Anjuman-I-Islam presiding over the celebration.

Dr. Zahir I. Kazi, President, Anjuman-I-Islam was Chief Guest in the Brihanmumbai Inter-School Pre - Independence program on August 2025 attended by top Naval & Military Official.

Dr. Zahir I. Kazi, Padma Shri Awardee & President, Anjuman-I-Islam, was part of a distinguished delegation that met the Honorable National Security Adviser, Shri Ajit Doval, in New Delhi.

Anjuman-I-Islam, in association with the World Memon Organization (WMO), organized a Ration Kit Distribution Program at our Bellasis Road, Campus. The program was graced by Hon'ble Dr. Zahir I. Kazi, Padma Shri Awardee & President, Anjuman-I-Islam, and Mr. Mushtaq Antulay, Sr. Vice President, Anjuman-I-Islam, and Hon'ble Kum. Aditi Tatkar, Minister for Women & Child Welfare, Govt of Maharashtra.

Anjuman-I-Islam's Dr. M. I. J. Girls' High School & Jr. College, Bandra, celebrated its Annual Day in April 2026. The event was graced by Chief Guest Mr. Ashish Shelar, Minister of Cultural Affairs, Maharashtra, and Dr. Zahir Kazi, Padma Shri Awardee, President Anjuman-I-Islam.

Anjuman-I-Islam welcomed the Hon'ble Mumbai Mayor, Smt. Ritu Rajesh Tawde, along with Municipal Corporator Mr. Waqar Khan, at its Bellasis Road Campus.

Anjuman-I-Islam celebrated Maharashtra Day and International Labor Day by inaugurating a Free 3-Month Marathi Learning Initiative for Mumbai's auto and taxi drivers, in association with the Nationalist Congress Party.

Anjuman-I-Islam BSK & Vashi Schools Girls, showcased their sporting spirit at Cricket Unites Exhibition & Showcase held at CCI Brabourne Stadium, Mumbai in April 2026.

Release of ANJUMANUAL April 2026 – Empowering Leaders, Inspiring Excellence, a comprehensive handbook designed to guide and empower our Heads of Schools.

Dr. Zahir Kazi, Padma Shri Awardee and President of Anjuman-I-Islam, graced the Oriental Educational Society Convocation Ceremony as the Chief Guest, alongside with Justice Abhay S. Oka, retired Supreme Court Judge, and inspired graduates as they embarked on the next chapter of their journey.

In March 2026, the Mumbai Cricket Association (MCA) hosted an Iftar gathering for Anjuman-I-Islam, bringing together members of the community in the spirit of Ramadan.

In July 2026, Anjuman-I-Islam felicitated its student Mayassarah Bukhari, who secured 3rd Prize in the Robotics & Artificial Intelligence Category at 2026 UNESCO Clubs Worldwide Youth Multimedia Competition.

Anjuman-I-Islam's VM & DM PM High School & Junior College, Pune, organized a Felicitation Program to honor its HSC and SSC toppers of February 2026.

Ruqaiyyah Rokadia, a student of A.I.'s Saif Tyabji Girls' High School & Junior College HSC Science (Batch 2025-26), has achieved an outstanding 596 marks in NEET 2026.

In August 2026, Dr. Zahir I. Kazi, Padma Shri Awardee & President, Anjuman-I-Islam, felicitated Ms. Aarfa Shaikh, our student of Akbar Peerbhoy College for securing Top Rank in B.Sc. (Data Science) at the University of Mumbai with a perfect CGPA of 10.

Allana English High School, CST, emerged victorious in the Harris Shield U-16 Finals with grit, discipline and an unstoppable spirit in December 2025 at Wenkhade Stadium.

Anjuman-I-Islam's Mustafa Fakhir Junior College secured 2nd prize at the WE-GYAN Competition, competing against 55 institutions with its innovative app in December 2025.

Our Allana Girls High School & Jr. College, Kurla felicitated. Our brilliant alumna Farhana Zeenat Khan for securing the prestigious position of Block Development Officer (BDO) position through UPPSC 2024.

Our student Akku Sarah from SSC Batch 2025 emerged as an Asia Cup Double Gold Champion and DSO Winner and represented India in Sri Lanka.

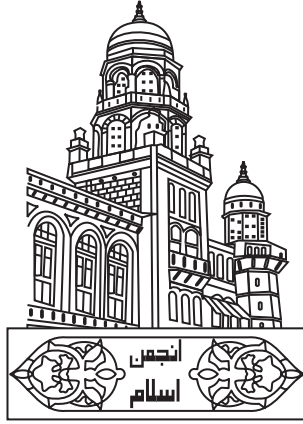

Anjuman-I-Islam students Dr. Momin Mehjabeen and Dr. Khan Sayema secured 1st and 2nd All-India Ranks respectively in BUMS in November 2025.

3. Scrutiny of nominations and list of eligible candidates shall be displayed on the Company's Notice Board on 22-09-2026.
4. Last date for withdrawal of nominations shall be till 5.00 pm on 23-09-2026, which is a working day.
5. Final list of candidates shall be displayed on the Notice Board of the Company on 24-09-2026, which is a working day.
6. Election to be held between 3.00 pm and 6.00 pm on 30-09-2026 which is a working day at Allana Multipurpose Complex, Anjuman I Islam CSMT Complex.

President's Address

The management team, esteemed General Body members, Ladies and Gentlemen,

AssalamoAlaikum,

It is my pleasure to welcome you at this 78th Annual General Meeting of Anjuman-I-Islam. I feel privileged and it is an honour to address you today. I wish to thank all the members of Anjuman irrespective of the fact whether are present here or are not present for their valuable support, we continued to receive during the year under review. Your support has been of enormous value in our journey of serving the community, growth of our institutions and the enhancement of academic value that we are continuously striving for.

Our motto of empowering the community through high-quality education and through other interventions in their journey of dignified life and self-reliance continued to guide our efforts during the year. Our determination to work on our mission and to achieve the vision of our founders, donors and ourselves would persist to create a resilient society that contributes to the development of our country as one of the torch bearers to the world.

Now I would like to brief you all on some of the key areas related to our progress over the year under review, the current scenario and our plans moving forward.

The environment:

During the year 2025-26, the landscape of residential complexes continued to change with old structures getting redeveloped to new high-rise buildings, some of the old residents moving their homes to distant locations and some of the slum areas getting demolished, especially in Bandra and Dharavi localities have resulted in some of our schools and colleges facing enrolment pressures. We have also seen some of the newly opened schools that were not registered getting closed resulting in students from those schools approaching us for admission. Number of students seeking admission in English medium school and students seeking junior college admission in colleges instead of junior colleges within schools have continued to increase. There is mix of student preference in the selection of engineering streams. Preference for Artificial Intelligence has increased and preference for Mechanical and Civil streams has also increased as compared to the previous year. In colleges, student preference for specialised degrees like BAF, BFM etc has increased while B Com has slightly gone down in the stack order. Students seeking admission in skill-oriented courses in ITI and diploma continued to swell. I will talk about our plans to address and meet the growing expectations in this area so that we are able to fill in the vacuum in this space.

Another major area of concern is the delays that we are facing in receiving fees grants from the government with respect to various schemes like Scholarships for girl students and students from economically backward class, minorities and other socially backward classes. This is putting a lot of pressure on our cash flows and impacts some of our development work at institutes for the lack funds.

Our Performance during the year:

Academic Results:

As can be seen from the performance report, our results about passing have continued to improve across schools. For SSC results from our 19 schools, with 6 schools achieving 100% result, 1 school achieved 99% while another 5 achieved result of over 95%. Of the total 2,066 passing students, 35 scored more than 90% and 426 students passed with distinction 426. For results from our 10 junior colleges, 4 colleges achieved 100% result in HSC while another 5 achieved result of over 95%. Students passing HSC with distinction are 81.

It's a feeling of pride, happiness and fulfilment when I share with you that our student, Ms. Ayesha Abdul Razzaq Korabu from our Urdu Peer Mohammed High School scored 98.6% in SSC and stood first in the Urdu Medium across the state. Aarfa Ilyas Shaikh from our AP College of Commerce and Economics scored 10 CGPA in semester 6 and became topper in Mumbai University. Usman Danawala, our student Institute of Hospitality, scored the

highest final CGPI of 9.95 in B.Sc. Hospitality Studies in Mumbai University final exam. Ruqayya Rokadia, our student from Saif Tyabji High School scored 596 and Iqra Aziz, our student from Allana English High School scored 456 in NEET exam. They are trying for admission in medical colleges.

The results of Tibbia College and College of Home Science have not yet been declared while this communication is in print but I am confident that the institutes would continue their journey of producing university toppers at Maharashtra University of Health Sciences for the 5th successive year and 8th consecutive year at SNDT Women's University in Food Science & Nutrition.

Institutional Journey towards Autonomy:

It's a great mixed feeling of joy and excitement when I share with you that our Kalsekar College of Engineering and Kalsekar College of Pharmacy have been become autonomous institutes from the year 2025-26 and the degrees that the University would give would be B Tech / M Tech and not BE / ME. This is the first step towards getting greater autonomy in the form of being a private university ourselves. Our Saboo Siddik College of Engineering has also initiated the process of getting autonomy by applying for the same to the UGC through Mumbai University.

Alignment of Academic courses:

To meet the students' demands, we have started post-graduation courses in Computer Science, Artificial Intelligence and Machine Learning at our Saboo Siddik Campus and have increased seats for Mechanical Engineering from 30 to 60 from the year 2026-27. We have started M Sc in Clinical Nutrition & Dietetics program at our College of Home Science from the year 2026-27. As there is a huge gap in demand and availability of skilled technicians, we have initiated process for doubling our capacity of ITI courses at Saboo Siddik campus while introducing new course for Electricians. We are also converting some of our vocational courses to ITI at our CSMT and Pune campuses. This will enhance the employability of our students completing these ITI courses. We started Centre of Excellence (Zebra fish) started in School of Pharmacy at our Panvel campus.

Student Enrolments:

To support our institutes to increase enrolments, we organized five career fairs at our campuses at CSMT, Byculla, Bandra, Panvel and Kurla. We conducted three additional career fairs at campuses of other institutes at Malegaon, Bhiwandi and Mumbra, from where we could attract students to our institutes. This helped students and parents to crystallize their career choices and identify right institute based on their preference. Our institutes also focused on various marketing campaigns including visits to schools within their vicinity, billboards, newspaper advertisements, social media marketing, information fliers etc. to provide additional impetus for securing enrolments at their institutes.

Consequently, enrolments to our campuses indicate improvement. Even as the admission process is currently on, we expect 100% enrolments at our Tibbia College for our intake capacity of 60 seats, 100% enrolments at our Kalsekar campus for all degree and diploma courses for our intake capacity of 1,484 students and 100% for our Saboo Siddik campus for all degree and diploma courses against our intake capacity of 1,110 students. These admissions would include 5% allowable limit over and above the capacity for economically backward students. Similarly, some of our schools, including at Turbhe, Belasis Road, Bandra, Kurla, Pune, CSMT campus, Panchgani etc. have enrolments to capacity whereas we are facing challenges in some schools at Versova, South Mumbai, Morland Road campus etc. due to challenges of population migration and parents increasing preference of English medium where admissions are becoming easier to secure. Admissions to our Panchgani campus jumped by 56 numbers to reach 391 for the current year.

Placements:

We have taken different actions to improve performance on placements, which continues to be impacted due to weaker job market, job cuts in IT industry and global economic uncertainty due to US Iran war. Our institutes have

significantly increased their industry connect and alumni connect to positively impact rapport and student preparedness to increase placements. The efforts include preparing our students through interactions with industry experts, participation in various industry and academic competitions. Our students have fared well and have won many awards in these competitions. This exposure helps us place our students more effectively. We have started in house training for EQ, corporate behaviour, business communication and other soft skills including mock interviews and group discussions at Saboo Siddik campus. We conducted customised program for Pharma students including mock interviews by industry professionals, technical inputs, soft skills, etc. at our Kalsekar campus. With autonomous status and flexibility with syllabus at our Kalsekar campus, we have added content and points for our courses on Aptitude and soft skills. We encourage our students to clear professional certifications conducted by reputed industry players like AWS, Oracle, etc.

Even as some students got placed in industry with their own efforts, campus placement position for the 25-26 batch has been 100% for ITI, 100% for diploma students who were seeking placement, 66% for management students, 70% for hotel management. At Saboo Siddik & Kalsekar campuses, our placement rate currently is at 52%. This is still below our expectations and we working on the same to improve the same during the current year.

Research, Innovation and Incubation:

Focus on publishing research papers by our Principals and the faculty members continued and they continued focus to motivate and guide our students in the direction. Collaboratively they have filed for 16 patents and 15 copyrights during the year under review. The innovative business ideas progressively generated at the institutes have resulted in 81 business ideas on products and services that can lead to start-ups. 18 new start-up registration have happened during the year. I am happy to share that we received Rs. 53 lakhs under the Chief Minister's DBT Yojana. Our Kalsekar campus, Panvel published 90 international paper publications.

Collaboration:

Our efforts of engaging with our alumni continues. We recently conducted alumni meets in Toronto and Dubai. I was overwhelmed to see enormous enthusiasm with alumni. In fact we had to close the participation booking in Dubai where more than 450 alumni wanted to attend but due to venue capacity, we had to regret to many of them.

TechnoScope of MIT University, which was introduced by us has become part of our engineering curriculum and Project Based Learning to address real world community challenges continues through social innovation. Student registration for this program is encouraging. Similarly, the Micro Masters' (from MIT University) inspired program, a sequence of online modules designed build foundation in machine learning, deep learning, statistics and natural language processing for data science is gaining ground at our Kalsekar campus. The MIT-inspired STEAM program has been implemented across all Anjuman institutions, supported by a system of continuous monitoring and evaluation to ensure excellence in execution and measurable learning impact. The integration of MIT's "Day of AI curriculum" has further empowered our teachers and students with future-ready competencies that are aligned with global advancements. The innovative STEAM pedagogy at Anjuman-I-Islam has garnered widespread appreciation from reputed organizations and educational bodies across India. We also have industry collaborations including with Reliance Jio and Adani Group.

New collaborations signed or are in progress include an MOU with Stanford University for conducting their "Seed Spark" program for the entrepreneurs of start-ups or prospective start-ups. Here we would be enrolling students and conducting the programs for them on the payment of a pre agreed fees. Many of our Principals are associated with various university and government boards in different capacities, thus collaborating with agencies for the improvement of overall education system.

Our engagement with industry leaders, community leaders, professionals and academicians continued through the year for guest lectures and for degree / prize distribution at our institutes. This helped our students to get inspiration

and pearls of wisdom.

Infrastructure:

Different infrastructure upgradation work done during the year includes the following;

- Restoration of the Heritage building at CSMT campus.
- Restoration of Karimi Library at CSMT.
- Renovation of Al Bassam Hall at Pune campus.
- Renovation of girls' polytechnic in Pune.
- Renovation of Sahara Centres at Mumbra.
- Renovation and painting of different facilities.

Social work:

Our Pune orphanage currently has 113 girls there. 6 girls appeared for SSC board and 4 girls appeared for HSC board exams and all of them have passed. The orphanage received donation of Rs. 80 lakhs and donation in kind worth about Rs. 42 lakhs. Similarly our A. D. Bawla Orphanage has a strength of 101 girls and have shown an all-round progress in academics, co-curricular activities and overall development. Here also all the girls appearing for SSC and HSC exams have passed the boards. Two girls received scholastic scholarship of Rs. 25,000 each from Guardians of Dreams NGO for their meritorious performance. Inmates also appeared and passed the Government Drawing Grade Elementary and Intermediate Examinations. During the year 2025-26, eight ex-Bawla girls pursued higher education in courses like M.A. Psychology, B.E. in Electronics and Telecommunication, MMS, BMLT, B.Com, BAF and Home Science.

A. D. Bawla Orphanage was recognised as 'Best Orphanage - Girls' at the District Level Chacha Nehru Bal Mahotsav, Chembur and won several awards at District and State Level competitions organised by the Department of Women and Child Development. Inmates also participated in the 'Care for You' GK Quiz finale at Pune. For skill development, vacation camps were organised in May and November 2025 covering English Calligraphy, Stitching, Embroidery, Crochet, Mehndi, Cooking, Creative Art and Sports.

On the health front, regular medical camps and dental camps are organised for all inmates. Inmate Ms. Zoya Abdul Salam with leg deformity underwent successful corrective surgery at NH SRCC Hospital, Haji Ali. For mental well-being, A. D. Bawla Orphanage has a full-time counsellor who conducts regular counselling sessions for all girls, and if required, children are referred to Cooper Hospital for psychiatric treatment and expert opinion. Continuous engagement through creative and physical activities also supports their emotional well-being.

During the year, A. D. Bawla Orphanage received donation of Rs. 1.38 cr and in additions received donation in kind as well.

Our Centre for Distress Women, Families & Vocational Training runs 5 vocational batches - Stitching Morning (47 students), Stitching Afternoon (88), Mehndi Application (66), Beautician (45) and Cooking (4). During the year, total strength was 250 students. Sahara also handled 07 distress cases related to need for job, school fees, ration, medical help, extra-marital affair, cheating / missing husband, adjustment issues and mental health. Interventions included counselling, legal advice, referral to other NGOs, networking, medical & ration help (25 families).

The growth projects:

- We have received IOD for the central building project at Saboo Siddik campus and expect to begin shifting and demolition work post monsoon, once we receive CC.
- We have received offers against our tender notice for our refurbishment plans for our Matheran property and the work is expected to begin post monsoon.

-
-
- One donor has come forward to fund a new co-ed CBSE school at our Pune campus. We have already appointed various consultants and plan to complete the project to ensure enrolments for the next academic year.
 - Our potential donor for our proposed Medical Complex near Bhiwandi has advised for revised proposal with different capacities to enable him to decide the size of the project that he would want to support. The current US-Iran war has changed the circumstances and has slightly constrained the financial resources of the donor, hence the change.

Other Future Plans:

In addition to growth, we are constantly on the look out for ways and means to calibrate our courses based on market and industry demand. We are also conscious of upgrading our faculty with different development plans and international collaborations so that our education delivery has some global best practices as well.

Apart from converting our schools to semi-English schools, we are now planning to hire special English teachers at our campuses to provide additional exposure and to equip them with the language and to augment admissions.

Technology adaptation:

We are at an advanced stage of finalising vendor for ERP solution for us. Post tender notice in newspapers, we have completed desk and technical evaluation. We expect the complete roll out of the project to be over in 18 to 24 months. Modernization of our classrooms is continuing with more classes being added with interactive screens for critical and creative thinking by students. These panels seamlessly integrate cutting-edge hardware and intuitive software. This coupled with teacher training helps create improved teaching experience in our classrooms. These solutions also contain mapped content, history timeline, diagram maker, etc. We plan to cover all our school classrooms in a phased manner with an aim to eventually have modern classrooms across all our schools.

Marketing and branding:

Our marketing department has been working for Anjuman-I-Islam and with our institutes to increase our presence and reach in media and social media to effectively communicate our programs and achievements through the year. They are providing support to institutes wherever and whenever required including training the staff, organising media support etc. The team is currently working on redesigning and implementing websites of all our institutes in an aligned way with similar interface for the visitors to the site.

We have deployed a new policy for creating endowments to facilitate support of different kinds, till perpetuity. This would enable donors to create perpetual kindness or what we call as sawab-e-jaaria for their ancestors, their loved ones and themselves. I would like to appeal to all of you to please look at this as an opportunity to both, create a support to the institutes and the community and to earn goodwill and heavenly reward till perpetuity.

Inclusivity and Diversity:

Our campuses continue to thrive with students coming from backgrounds come all backgrounds mingle seamlessly. They all feel supported, encouraged and mentored. We are committed to diversity in all spheres of our operation. We continue to have staff representing all communities and get appointed and promoted exclusively based on merit. A large part of our staff are women in an environment that they feel safe and at home.

Sustainability:

Our campuses are exploring opportunities to contribute towards sustainability through various initiatives. Some of them are recycling of wastewater, installation of solar panels with the support of NGOs, tree plantation, educating students on sustainability and climate issues and use of electronic panels etc.

Accolades and achievements:

The performance report that is a part of our Annual Report, captures some of our achievements, recognition and awards received by our institutes, staff and students. All of them and all the other ones that have not been listed in the

report are valuable and important to us. However, I would like to touch upon some of them.

Our Pune, Bandra and Begum Sharifa Kalsekar (BSK) School at Belasis Road have earned A+ grade under SQAAC, only 429 schools out of 1,02,675 schools across Maharashtra that participated in the process, of which only 10,644 schools underwent independent evaluation.

Our Allana English High School recorded a remarkable performance in Cricket by winning Harris Shield under 16, again, they also won Reliance sponsored Mumbai Indians under 16 cup, PRPL cup and won Rs. 1 lakh prize money. Abhigyan Kundu, our student represents the country as a part of under 19 international cricket team. Fauzan Shaikh, our student, reached state level in Central Government initiated “Inspire” award and won a prize of Rs. 10,000/-.

Our M.H. Saboo Siddik College of Engineering secured 1st place nationwide at Xcelerate 2025, which was organised by Oracle. Also, both the winning and runner up teams at Smart Hackathon were from the institute. 496 students from our Kalsekar campus, Panvel have successfully completed NPTEL/SWAYAM certification and 79 students from our Saboo Siddik Polytechnic successfully earned their NPTEL certifications. NPTEL is a premier e-learning initiative funded by the Ministry of Education, Government of India. Jointly developed by the IITs and IISc, it offers high-quality online courses in engineering and science.

Our Kalsekar Engineering College received AAA grade from Career360 among India's Best Engineering Colleges 2025. The campus won the Best Start-up award presented for campus-incubated Censor X at the UAE Investors Event, Dubai. Their CSE-AIML students were placed among India's Top 3 at HackArena 2.0, IIIT Delhi (USD 100 prize). And five B.Pharm student start-ups secured ₹2 lakh each in Ayadat Foundation seed funding. Their student, Dr. Ziyaul Haque conferred the Best Marketable Product Award at an international translational-research conference at Indore. AIKTC Leo club received 08 National Awards at their annual convention at Goa

Our BSK School has received accreditation from the U.S. Federation of UNESCO Clubs & Associations for its commitment to quality education, innovation, sustainability and global citizenship. Mayassarrah Bukhari, our student secured 3rd position internationally, competing against participants from >70 countries with >5,000 projects, for her innovative work in Robotics and Artificial Intelligence.

With a focussed approach, our schools enrolled our students for government scholarship exams and many students qualified for the same and received the scholarships.

I want to express my profound gratitude to all our donors, the management team, the general council, the executive council, executive chairpersons, general body members, our principals, faculty and staff. It is your energy, your selfless commitment and your continuous support that has enabled Anjuman to achieve what it has achieved so far. This address would be incomplete without acknowledging the dedication and excellence in the work of our teams that culminate in the high standards that our institutions deliver. I wish to assure our students that Anjuman is committed to bringing best out of you and create a platform that would enable you to succeed both in your professional and personal vision as you walk out of Anjuman into the world of compassion, performance, competition and collaboration that would create a inclusive, strong, tolerant and progressive India.

I want to take this opportunity to put on record my sincere thanks to all our donors, our alumni and everyone associated with us for their invaluable association. And to all you members, thank you for your support all along and for your presence here and your patient hearing and looking forward to your continued support in future as well.

Dr. Zahir I. Kazi

President

General Council Report

1. The Members of the General Council have pleasure in presenting to you the Audited Statements of Accounts of Anjuman-I-Islam for the year ended 31st March, 2026.
2. As at 31st March, 2026, the strength of the Annual Subscribing Members was 7 and that of the Permanent Members was 352.
3. The Income and Expenditure Account for the year under report shows a deficit of Rs. 28,535/- as against a surplus of Rs. 399/- in the preceding year.
4. The Anjuman-I-Islam, by virtue of Clause 3 (b) of the Memorandum and Articles of Association, acts as the Sole Trustee of various Trusts and Institutions. The accounts of these Trusts and Institutions, however, do not form part of the Anjuman-I-Islam as an incorporated body and are, therefore, not shown in the Audited Statement of Accounts annexed hereto.

For and on behalf of the General Council

Adv. Aqeel Hafiz

General Secretary

Place: Mumbai

Date: 9th September, 2026

Independent Auditor's Report

To the Members of Anjuman-I-Islam

Report on the Audit of the Financial Statements

We have audited the financial statements of **Anjuman-I-Islam**, which comprise the Balance Sheet as at 31st March, 2026, the Statement of Income & Expenditure for the year ended 31st March, 2026 and the cash flow for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and deficit for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. This report does not contain a statement on the matters specified in paragraphs 3 and 4 of the Companies

(Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, since in our opinion and according to the information and explanations given to us, the said Order is not applicable to the Company.

2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet and the Statement of Income & Expenditure dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended;

The Company has not paid/provided for any managerial remuneration to its directors during the year;

- (g) We do not report on adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls in terms of section 143(3)(i) of the Act, since in our opinion and according to the information and explanations given to us, the said reporting is not applicable to the Company;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Anjuman-I-Islam

Notes forming part of the financial statements

Note 1 Corporate Information

Anjuman-I-Islam (the Company) which was originally incorporated on 20th November, 1946 under section 26 of the Indian Companies Act, VII of 1913 (corresponding to Section 8 of the new Companies Act, 2013) - Not for Profit (A Company limited by Guarantee and not having Share Capital).

Note 2 Significant Accounting Policies

2.1 Basis of Preparation

The financial statements have been prepared to comply in all materials respects with the Accounting Standards notified by Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on an accrual basis except in case of assets for which provision for impairment is made and revaluation is carried out. The accounting policies as disclosed below, are consistent with those used in the previous year.

The Company is a Small and Medium Sized Company (SMC) as defined in the General Instructions in respect of Accounting Standards notified under the Companies Act, 2013. Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company.

2.2 Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of financial statements and the results of [operations] during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2.3 Revenue Recognition

Membership Fees: Revenue from membership fees is accounted on accrual basis unless it is unreasonable to expect ultimate collection.

Interest: Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

2.4 Taxes on Income

The Company is exempt from income tax under section 12A, read with section 12AA/(1)(b) of the Income Tax Act 1961 and hence no provision for taxation is required for current year tax expense. Since the Company exempt from income tax, no deferred tax (asset or liability) is recognised in respect of timing differences.

2.5 Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

2.6 Contingent Liabilities

Contingent Liabilities, if any, are disclosed in the Notes on Accounts. Provision is made in the accounts in respect of those contingencies which are likely to materialize into liabilities after the year end till the approval of the accounts by Board of Directors and which have material effect on the position stated in the Balance Sheet.

2.7 Cash Flow

The statement of cash flows have been prepared under Indirect Method.

2.8 Segment Reporting

The Company approach to development is to design and implement strategies to help those in need achieve a level of self-reliance and improve the quality of life. Since the Company has only one business segment of 'improving the quality of life' and one geographic segment 'India' based on operations of the Company, information for primary business segment and secondary geographic segment is not applicable.

Performance Report 2025 - 26

REVIEW OF ACTIVITIES:

It gives us immense pleasure to present a comprehensive and meticulously curated report encapsulating the achievements and milestones of Anjuman-I-Islam's Group of Institutions for the academic year 2025–2026. This document stands as a testament to the unwavering commitment, relentless pursuit of excellence, and academic vitality demonstrated by our esteemed institutions throughout the year.

A.I.'s Kalsekar Technical Campus, New Panvel:

The year 2025-26 marked a defining phase in the journey of Anjuman-I-Islam's Kalsekar Technical Campus, where academic excellence, institutional growth, innovation, and social commitment converged seamlessly. Established in 2011, AIKTC has evolved into a vibrant multidisciplinary institution, offering programs in Engineering & Technology, Pharmacy, Architecture, and allied disciplines. The campus is spread across a sprawling 10.58-acre and supported by 149 dedicated faculty members and 131 committed nonteaching staff.

Academic Autonomy and its Empowerment

A landmark achievement in the year 2025-26 is NAAC Accreditation with B++ Grade (CGPA 2.92) and Academic Autonomy granted by UGC New Delhi to the School of Pharmacy and the School of Engineering & Technology for the period 2025–2030. Due to this academic autonomy AIKTC empower to design industry-aligned NEP 2020, autonomous curricula and introduce future-focused programs, including the new, M. Tech. program in Computer Engineering and increased intake in Artificial Intelligence & Machine Learning specializations. These accomplishments reaffirm our commitment to academic innovation, excellence, and preparing graduates equipped to meet the evolving demands of the profession.

Innovation at the Core

AIKTC's culture of research, innovation, and entrepreneurship reached new milestones during the year, resulting in 80 international publications and 22 scholarly contributions, including patents and books. The AIKTC Business Incubation Centre emerged as a vibrant hub for innovation, nurturing 81 start-ups, of which 18 are formally registered, collectively securing over ₹31.7 lakh in funding. A major highlight was “SAMPATTI” a landmark launch event organized by KSMCA at the IIM Bangalore Alumni Centre, where AIKTC proudly represented the state of Maharashtra by showcasing its vision, innovation, and entrepreneurial excellence on a distinguished national platform.

Celebrating Student Success

The institution secured MSBTE grant of ₹1.05 lakh for organizing an MSBTE-sponsored Technical Paper Presentation Competition, fostering academic excellence and research. Adding to this achievement, a project group of Second Year Diploma in Pharmacy students secured the First Prize in the MSBTE-sponsored Technical Paper Presentation Competition, earning a cash award of ₹15,000 along with a Certificate of Appreciation for their outstanding presentation and innovation. ₹9.05 crore from state government in Maha DBT scholarships ensured equitable opportunities for all. Sporting glory added to the year's triumphs, as university-level medals and the spirited BONHOMIE 2026 festival engaged over 2361 participants.

Beyond the Campus Walls

AIKTC's impact extended far into the community service through 50 NSS activities, recognized contributions to the Indian Red Cross Society, and active roles in civic initiatives such as Swachha Bharat Abhiyan, Viksit Bharat Yuva Connect Program and Unnat Bharat Abhiyan. AIKTC became the center of innovation and celebration as five pioneering products were officially launched during Pitch Carnival 2026. Mega career guidance and Star felicitation programs at Malegaon, Bhiwandi, Kurla, Bandra, Byculla and Panvel connected thousands of young learners with pathways to higher education and professional growth. SEERAH CONCLAVE 2025: organized by the Idea of India Foundation, brought together eminent leaders and scholars to promote the timeless values of the Seerah as a foundation for nation-building.

Empowering Educators

Faculty at AIKTC continued to excel as leaders, innovators, and mentors. Recognitions from IIT Bombay, active roles in academic forums, and participation as judges and keynote speakers underscored their expertise. Structured training programs benefited over 2300 participants, ensuring continuous professional enrichment and the integration of advanced pedagogical methods.

A Vision Forward

The journey of 2026–27 reaffirms AIKTC's role as a driver of excellence, innovation, and service. With autonomy as a catalyst, reinforced by strong accreditation, vibrant research output, industry engagement, and a deeply rooted commitment to social responsibility, the campus is poised to enter its next phase of growth. The year's achievements are steppingstones toward realizing Anjuman-I-Islam's vision of educating for empowerment, inspiring for innovation, and leading for change.

INSTITUTE PROFILE

The Anjuman-I-Islam having a glorious history of 150 years of educational and social services and also having technical expertise of more than 67 years, set a new milestone by establishing its vibrant integrated technical campus on June 30th 2011 named “Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) at New Panvel, Navi Mumbai.

Name of the institution	Anjuman-I-Islam’s Kalsekar Technical Campus, New Panvel

NEW COURSES & INCREASE IN INTAKE IN ENGINEERING: 2025-26

- M. Tech in Computer Engineering (Intake-18)
- Increase in intake B. Tech in AIML (60 to 120)
- PG Programs of M. Pharma (Intake-10)

QUALITY INITIATIVES: 2025-26

1. Effective implementation of NEP 2020 Autonomous curriculum since 2025
2. Implementation of Outcome-based Education Philosophy
3. AIKTC campus certified with ISO 9001:2015 certification
4. International collaboration with Universitas Sumatra Utara, Indonesia
5. Active 50+ MoU's with Industry which includes Reliance JIO & Adani Group of Industries
6. 500+ students trained by Google Developer Student Club and Samsung Innovation Project India.
7. 496 students and faculties achieved NPTEL certification from SWAYAM.
8. Received 60 Lac plus funds under CSR for development of Centre of Excellence in School of Pharmacy & School of Engineering & Technology.
9. The International Conference on Innovative Teaching & Exuberant Learning (iCiTEL) held in collaboration with Charles Sturt University, Australia, and Universitas Muhammadiyah Sumatera Utara (Indonesia) featured 51 quality paper presentations, 150 faculty participants from 6 countries with 51 abstracts and 19 full-length papers were published in select journals including Frontiers in Education.
10. Successfully introduced MIT Boston inspired project-based learning program i.e. Technoscope for advanced learners and Micromaster program in School of Engineering & Technology.
11. New startups (18) were launched in 2025-26 and Rs. 53 Lac amount received under the Chief Minister Yojana (DBT) which is highest disbursement in Raigad district.
12. Best Startup award presented to CensorX at the UAE Investors Event on 5th February 2026 in Dubai.

01	Five Startups of third year B. Pharm students teams secured ₹2 lakh each, amounting to a total seed funding of ₹10 lakh, from the Ayadat Foundation.
02	AIKTC's School of Pharmacy (D. Pharm) received an MSBTE grant of ₹1,05,000 for organizing a Technical Poster Presentation Competition at the campus.
03	Career 360 awarded AIKTC School of Engineering & Technology as a Best Engineering college in India 2025 with AAA Grade.
04	MSBTE Awarded Excellent Academic performance to D. Pharmacy
05	CSR FUNDING: Received Amount of Rs 60 Lakhs as a CSR fund from SOCOMED Pharma Pvt. Ltd., Escon Elevator Pvt. Ltd. and MCHI Credia for Students Scholarships (For Engineering, Pharmacy and Architecture), Development of Centre of Excellence in School of Pharmacy and laboratory development in Engineering.
06	The Institution of Engineers (India), Navi Mumbai Local Centre (IEI-NMLC) has approved a Research Grant for our BE Project, Amount: ₹10,000
07	A project group of Second year D. Pharmacy students won the First Prize, receiving a cash award of ₹15,000 along with a Certificate of Appreciation in the MSBTE-sponsored Technical Paper Presentation Competition.
08	Pitch Carnival 2026 brought together startup founders, investors, academicians, and innovators from Bihar, Hyderabad, and across Maharashtra. As a key outcome, participating startups secured ₹4,25,000 in funding, highlighting the strength of their innovative ideas and business potential.
09	NEP 2020-Aligned Autonomous Curriculum: Approved by the Board of Studies and Academic Council and Appreciated by the Academic Council University of Mumbai for our Innovative Curriculum Design.

ACHIEVEMENTS & AWARDS: 37

28/05/2026 - 30/05/2026	LEO Multiple 3231 organized Yaariyan Convection 2026-27 at Gateway Goa, Palolem. The awards were awarded to Promising Young Leo – Mr. Ali Khan, Most Involved Leo – Mr. Mohd Umar Shaikh, EC Appreciation – Mr. Ali Khan
2026	Dr. Rohan Dasgupta received the Active SPOC certificate and the Active Local Chapter plaque at the NPTEL SPOC Workshop held at IIT-Bombay.
23/01/2026	Dr. Afzal Shaikh received Certificate of Appreciation as a reviewer for Research Papers submitted to the 4th IEEE international Conference.
05/02/2026	Prof. Abdulmajid Ansari Awarded by "Delegate Award" organized by Investarise in Collaboration of Ideabaaz TV Show, Mumbai.
10/02/2026	Dr. Renuka Vinod Chimankare, CSE (DS) served as a Reviewer for the International Conference on Communication, Computing and Emerging Technologies (IC3ET 2026)
28/03/2026	Prof. Saba Shaikh from AIKTC SOP was awarded by YOUTH RED CROSS SOCIETY MUMBAI DIVISION for her outstanding work.
16/04/2026	Dr. Afzal Shaikh received a Certificate of Appreciation as a reviewer for Research Papers submitted to the International Conference on Smart Systems for Sustainable Development
16/04/2026	Dr. Fauwaz Parkar acted as Paper Reviewer in the International Conference on “Smart Systems for Sustainable Development”
16/4/2026	Prof Alfiya Mulla (CSE-DS) received Certificate of Appreciation as a reviewer for the International Conference at SMARTSSD-2026 at AISSCE.
16/04/2026	Prof. Yasmeen Attar (CSE-AIML) received Certificate of Appreciation as a reviewer for the International Conference at SMARTSSD-2026 at AISSCE.
27/04/2026	Prof. Shraddha A Sawant received a Certificate of Appreciation as a reviewer for Research Papers submitted to the Electrical Engineering and Technology
13/05/2026	Prof. Pritika Patil, received a Certificate of Appreciation as a reviewer for Research Papers submitted to the IEEE 6 th International conference on smart Information System and Technologies
01/06/2026	Dr. Asif Gandhi from Mechanical received certificate of excellence in reviewing Journals
22/06/2026	AIKTC and Kalsekar Incubation Centre Represent Maharashtra at SAMPATTI Initiative Launch in Bengaluru.
22/03/2025	Civil Engineering students bagged 1st Prize (Total Prize Money : ₹50,000), 1st Prize (Total Prize Money : ₹15,000) and 3rd Prize – Total Prize Money : ₹25,000) at IIT Bombay in “AAKAAR -2025”.
13/03/2025	Research scholar Mrs. Raksha Khare completed her PhD under the guidance of Dr. Rajendra Magar at our PhD Research centre in Civil Engineering.
13/08/2025	AIML, SOET Students –Secured 2nd Runner-Up at Creathon: Ideas in Motion. The students won 10000 as cash prize.
17/08/2025	NSS Students of SoET (SE-31) won second prize in street play organised by Nashabandi Mandal of Govt. of Maharashtra.
12/09/2025	Students from Pharmacy bagged First Position at Pharmaceutis Infinitum 2025 (Pharma Brain Blizz) at VESCOP College, Chembur.
18/09/2025	Students from Pharmacy bagged Second position at Chemtastic 2025 (Word Chaos) at VESCOP College, Chembur.
11/09/2025	Inauguration of S4DS Students Chapter & Data Nexus Club (DNC) - 11th September 2025.
19/09/2025	Students from Pharmacy grabbed Second Position at E-Poster & Quiz Competition at H. K College's Gratitude 1.0 Competition.

20/09/2025	Dr. Atul Meshram received Best paper in International conference on (CiTeL 2.0) at AIKTC .
25/09/2025	As part of the Swachh Bharat Abhiyan, the institution organized a campus cleanliness drive to promote hygiene, environmental awareness, and civic responsibility among students and staff.
29/09/2025	NSS Unit SE-31 from the School of Engineering & Technology represented with pride at the Viksit Bharat Yuva Connect Program held on 29th September at C.K.T. College, New Panvel.
02/10/2025	Samsung Innovation Campus (SIC) Project under the School of Engineering and Technology as part of a National-level skill development initiative by Samsung India in collaboration with the Telecom Sector Skill Council (TSSC).
15/10/25 to 16/10/25	Dr. Ziyaul Haque has been honoured with the Best Marketable Product Award at the International Conference on “From Lab to Market Translational Research and Patent Strategy”, held at SAGE University, Indore.
06/11/2025	Snehlata Yadav (Data Science student) grabbed Bronze medal (3rd Rank) in Discuss throw event at Mumbai University Athletics Championship 2025
22/11/2025	Dr. Abusufyan Shaikh has been conferred the Best Teacher Award at a felicitation ceremony hosted by Idea of India during the Seerah Conclave 2025.
22/11/2025	Prof. Tehsin Kazi acted as Paper Reviewer in the “9th IEEE International Conference, organized by the RV College of Engineering, Bengaluru, India
09/12/2025	Ms. Afreen Imam & Ms. Tasmiya Fatima from Third Year CSE(DS) as a part of Team Neural Nexus secured 1st Runner Up position at Smart INDIA Hackathon 2025(Grand Finale).
9/12/2025	International Award was given to Prof, Poonam M, Prof. Suvidha S and Prof. Sandeep Kumar Prajapati for best DESIGN STUDIO FOR FACULTY Designadvnce 2025-26.
09-12-2025	Prof. Abdulmajid Ansari Selected as Mentor " Grand Finale Smart India Hackathon Mentor" organized by AICTE ,Ministry of Education
09/12/2025	The final-year students of B.Arch. won First Prize amongst the 1000 participants from all over the world at “Designadvnce 2025”, an International Architecture Design Competition. They won Rs. 75,000/- of cash prize and certificates.
13/12/2025	Rida T. Dhamaskar from Final year Pharmacy scored 3 rd position at Oral Presentation Competition (UG-Category) in 6th Student Research Congress (Virtual).
12/12/2025 to 13/12/2025	Ms. Sana Shaikh bagged First Prize in Best Poster presented at Conference on Technologies for Future Cities (CTFC 2025)-7th in series organised at Pillai University.
12-13/12/2025	CSE-DS Students from Third Year secured first prize in the Conference Call for Papers at CTFC(held at Pillai University.
16/02/2026	Faculty led Product Launch held at Pitch Carnival 2026
12/03/2026 - 13/06/2026	“Evaluating the Impact of a Project-Based Learning Framework on Overall Skill Development” has been published in the “Frontiers in Education”, with a full fee waiver of ₹2.3 lakhs. Open Access Scopus Indexed
28/06/2026	CSE (AIML) students, Nabil Ahmed and Abdussalam, emerged among the Top 3 Teams in India at HackArena 2.0 held at IIIT Delhi, securing the National-Level 2nd Runner-Up Position and winning a USD 100 Cash Prize.
08/01/2026	AIKTC – School of Pharmacy (D. Pharm Program) has received approval for an MSBTE grant with a financial provision of ₹1,05,000 for organizing a Technical Poster Presentation Competition at our campus.

01/04/2026	Mueez Hajwani(TE—CSE(DS)) secured first place in Technical debate & AI & Neuroscience Challenge at inter college competitions held at PVPP College of Engineering
18/01/2026	Research Grant: The Institution of Engineers (India), Navi Mumbai Local Centre (IEI–NMLC), sanctioned a ₹10,000 Student Research Promotion Scheme grant (2025–26) for the BE project Low Cost IoT-Based Structural Health Monitoring System" by Shakib Deshmukh and Safwan Shirdekar.
10/02/2026	Third year Data Science team — Sana Shaikh, Talha Siddique, and Amrut Patankar secured 3rd Prize along with cash prize of ₹1000 at the “Battle of Pivot” Startup Pitching Competition, held at Vasantdada Patil College.
31/01/2026	Mst. Arsalaan Pathan from year B. Arch winner at KIDC Design competition 2026. There were 16 participants from different colleges.
11/02/2026	AIKTC School of Pharmacy Students Win First Prize at MSBTE State-Level Technical Paper Presentation Competition
18/03/2026	Amrut Patankar , Talha Siddiqui, Sana Shaikh (TE CSE - Data Science) and Aiman Kelkar (SE CSE - Data Science) secured 3rd Prize in the Technical Paper Presentation at Pillai HOC, Rasayani.
31/01/2026	Shaikh Owaise(Winner) 2) a) Yaseen Choughle b) Sayed Ayan Ali (Runner Up)Winners in project competition in mode extrude.
2026	Techashtra 3.0 National Hackathon – Runner-up Students: Shaikh Nabil Ahmed Wasim Ahmed and Mahate Ifra Ismail secured the Runner-up position in the Techashtra 3.0 National Hackathon.
2026	Loop 1.0 National Hackathon – 5th Rank Students: Shaikh Nabil Ahmed Wasim Ahmed and Mahate Ifra Ismail secured 5th Rank in the Loop 1.0 National Hackathon.
2026	Sarang Iffah Mohamed student from CSE-AIML and teammate secured the Winner position in the Pegasus Treasure Hunt competition.

E-YANTRA-AN INITIATIVE BY IIT BOMBAY

e-Yantra is a robotics outreach program funded by the Ministry of Education and hosted at IIT Bombay. The goal is to harness the talent of young engineers to solve problems using technology across a variety of domains such as: agriculture, manufacturing, defence, home, smart-city maintenance and service industries.

AIKTC E-YANTRA EVENTS IN ASSOCIATION WITH IIT BOMBAY: 07		
Sr.	Event Name	Date
1	Visit to Lohia Farm Village Kudus, Dist. Palghar	24/01/2026
2	Visit to IIT Bombay E yantra Lab	29/01/2026

4	Poster Presentation at E-yantra Event	27/03/2026
5	ECS Dept Organizes Basic Robotics Training Program for Students	10/04/2026
6	3 Faculties and 8 Student Visited Lohia Farm for Testing of Developed Weather Station	12/04/2026
7	4 Faculties Deputed to IIT Bombay E Yantra Lab for Training	17/04/2026

MIT TERRASCOPE INSPIRED 'TECHNOSCOPE COURSE' 2025-26:

A Social Innovation in Engineering Through Project-based learning For First year Engineering Under Anjuman-I-Islam's MIT Boston collaboration initiative (As a preparatory course for the Project based learning and Start-ups) Number of Projects: 10 Number of Mentors: 10 Number of Participants: 80

SECOND INTERNATIONAL CONFERENCE ON INNOVATIVE TEACHING & EXUBERANT LEARNING

Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel, India, hosted the 2nd International Conference on "Innovative Teaching and Exuberant Learning" (iCiTeL-2.0) under the theme "Advancing Pedagogy Through Innovation." Organized in collaboration with the School of Dentistry and Medical Sciences, Charles Sturt University, Australia, and Universitas Muhammadiyah Sumatera Utara, Indonesia. Keynote address I: "Reimagining MOOCs: Pedagogical Strategies for Learner-Centred, Active Learning": Dr. Sameer Sahasrabudhe Professor of Practice in Design at IIT Gandhinagar, India. Keynote address – II: "Generative AI in Teaching and Learning: Practical Applications and Future Possibilities": Dr. Deepak Mishra, Professor, Indian Institute of Space Science and Technology, India

NEXATHON (Data Science)

Nexathon 2025 is an exciting intercollegiate event organized by the Department of Computer Science and Engineering (Data Science). The competition aims to encourage innovation and creativity among students through project and poster competitions. The event will take place on 18th October 2025. It offers attractive prizes—₹5000 for the project winner and ₹3000 for the runner-up, while the poster competition winners will receive ₹2000 and ₹1000, respectively.

ALGORITHM X (Programmer's Club, Computer Engineering)

The Programmers Club of the Computer Engineering Department successfully organized

ALGORITHM X, a National-level Hackathon, on 3rd–4th April 2026.

ANNUAL SPORTS & CULTURAL FEST BONO HOMIE: (03-08/02/2026)

SEERAH CONCLAVE 2025

The event was organized on 22nd November 2025 by the Idea of India Foundation in collaboration with AIKTC who brought together eminent leaders and scholars like Mr. Salman Khurshid, Lt. Gen. Zameerudin Shah, Dr. Ram Punyani, Dr. J. Ravikumar Stephen, Dr. Keshavanand Das to promote the timeless values of the Seerah as a foundation for nation-building, harmony, and ethical leadership. The event also featured an inspiring youth session by Sana Khan and Mufti Anas, highlighting the importance of values, compassion, and responsible citizenship.

ENGINEERS' DAY CELEBRATION 2025

Engineers' Day Celebration: Engineers' Day was celebrated on 13 September with enthusiasm through a series of technical and creative activities. The event featured a debate competition, poster presentation, and project exhibition, providing students with a platform to showcase their knowledge, innovation, communication skills, and engineering aptitude.

ADVERTISEMENT, MARKETING, CAREER GUIDANCE & STAR FELICITATION PROGRAMME: 2025-26

Sr.	Title	Remark
1	Design and Printing of Promotional Materials	Designed and printed 13 types of promotional materials for the admission campaign.
2	School & Junior College Outreach	Visited 125 schools and junior colleges across 70 locations in Mumbai, Navi Mumbai, Konkan, and Khandesh.
3	Admission Marketing Activities	Conducted 18 major admission promotion activities , including campus visits, banner displays, career guidance, and publicity at 60+ SSC, HSC, CET, JEE, and NEET examination centres .
4	Student Outreach	Collected data of 5,500 prospective students and reached 10,300+ students through awareness campaigns.
5	Career Guidance & Star Felicitation	Organised 07 and participated in 13 programmes , benefiting 2,522 students and felicitating 1,032 meritorious students
6	Social Media Marketing	Published 194 promotional posts , achieved 8 Lakh+ views , 8000 followers , and generated 1519 admission enquiries
7	Overall Outcome (Up to July 2026)	Generated 3199 admission enquiries against an intake capacity of 890 Seats .

A.I.'s Mohammed Haji Saboo Siddik College of Engineering:

Remarkable Developments

- Increase in Intake: AICTE approved the increase in Mechanical Engineering intake from 30 to 60 seats.
- New Course: AICTE approved the commencement of P.G. in CSE (AI & ML).
- International Conference: An International Conference on Smart Systems for Sustainable Development was organized on 15–16 April 2026.
- Smart India Hackathon (SIH): Team Pixel-Minds won the First Prize for the Blockchain-Based Carbon Credit System, receiving ₹1,50,000/-.
- Oracle Xcelerate 2025: The team secured 1st Prize at Xcelerate 2025, Chennai, with a cash prize of ₹1,00,000/- . Faculty Mentor: Dr. Zainab Mirza.
- Project Deep Blue – Season 11: Team CMC5 won ₹50,000/- for developing a multilingual healthcare symptom-checker chatbot. Three students also secured placements.

Student Achievements:

- Smart India Hackathon: First & Runner-up Prizes
- INS DAG National Award: Second Position
- AWS Academy: Project Achievements
- Mastek Deep Blue Hackathon: Student Placements
- Centre of Excellence – VPAT: Cyber Security

Training & Placement:

The TPO Library was enriched with 30 higher-studies preparation books covering IELTS, TOEFL, GRE and MBA entrance examinations, donated by Zest Global Education and Edwise, supporting students aspiring for higher education in India and abroad.

2025-26 Batch: Placement Summary : 40 companies visited, 10 are in pipeline

STTP/FDP Attended in SH 2025

- ISTE-Approved Short-Term Training Programme (STTP) on Recent Advances and Future Trends in Civil Engineering: Dr. Uma Kale, Dr. Chainani D. M., Prof. Md. Rafi Khan, Prof. Asif Ansari, Prof. Rabia Sameen and Prof. Shabir Burhanpurwala attended a 5-day online programme organized by S. S. Jondhale College of Engineering & Technology, Asangaon.
- Empowering the Future: Sustainable Energy for a Changing Climate: Dr. Uma Kale attended a 6-day online ATAL FDP organized by NITTTR, Chandigarh.
- Mental & Physical Well-being for Sustainable Leadership: Dr. Chainani D. M. attended a one-day offline Faculty Orientation Programme organized by Allana Institute of Management Studies, Mumbai.

National Award Competition

The department participated in the National Award Competition conducted by the Institute for Steel Development and Growth (INSDAG), promoted by the Ministry of Steel and leading steel companies in India.

Students Hassan Sayed, Abdul Razzak Taibani, Hasnain Qureshi and Qamruddin Siddiqui, under the guidance of Dr. Ganesh S. Kame, secured Second Position for their project titled “Cost Effective & Innovative Steel Roof Structure of a Land Port Building.”

The project showcased remarkable innovation and technical excellence and received prize money of Rs. 50,000.

Mechanical Engineering & Mechanical Automobile Engineering

- The Department of Mechanical Engineering was inaugurated, and the IIIE (Indian Institution of Industrial Engineering) Chapter was established on 7th March 2026.
- Eight students received summer paid internship offers through the IIIE Chapter at Zara Globe Solutions Pvt. Ltd. The one-month internship commenced on 1st June 2026.

Faculty Publications and Patent Grants

- Dr. Nilesh Ghongade published a paper titled “Redefining Energy Sustainability by Circularizing Coal: Evaluating the Challenges for Coal-Fired Thermal Power Plants” in the International Journal of Industrial and Systems Engineering, Volume 52, Issue 7. The journal is Scopus-indexed and Q3, with an Impact Factor of 1.6.
- Dr. Nilesh Ghongade published a paper titled “Experimental Investigation and Optimization of Machining Parameters in CNC End Milling of 17-4PH Stainless Steel” in the International Journal of Machining and Machinability of Materials, Volume 16, Issue 2, April 2026. The journal is Scopus-indexed and Q3.
- Dr. Sha Husain S. Maghrabi received a grant for a Utility Patent titled “Seismic Response Testing System for Liquid Storage Tank and a Method Thereof” in April 2026.
- Electronics & Telecommunication Engineering

FDP ATTENDED by Faculty

Sr. No	Faculty Name	FDP Details
1	Dr.Nayana Chaskar	FDP on “AI in Practice complete stack from data to GenAI” Thakur College of Engg. & Technology from 08/12/2025 to 13/12/25.
2	Dr.Amol Sankpal	“Periodic Innovation in perspective of VLsi of Semiconductor ICs “ at Shah & Anchor Kutchi Engineering College from 15/12/2025 to 20/12/25.
3	Er.Pragati Pal	“Periodic Innovation in perspective of VLsi of Semiconductor ICs “ at Shah & Anchor Kutchi Engineering College from 15/12/2025 to 20/12/25.
4	Dr. Nayana Chaskar	FDP on “Emerging Areas of Cyber Security”, held from 24th november 2025 to 28th November 2025,conducted by the Department of Computer Science and Engineering (IoT/CS/BC), A. C. Patil College of Engineering, Kharghar, Navi Mumbai.

5	Dr. Amol Sankpal	FDP on “Emerging Areas of Cyber Security”, held from 24th november 2025 to 28th November 2025,conducted by the Department of Computer Science and Engineering (IoT/CS/BC), A. C. Patil College of Engineering, Kharghar, Navi Mumbai.
6	Er. Pragati Pal	FDP on “Emerging Areas of Cyber Security”, held from 24th november 2025 to 28th November 2025,conducted by the Department of Computer Science and Engineering (IoT/CS/BC), A. C. Patil College of Engineering, Kharghar, Navi Mumbai.
7	Er. Rihana Jamadar	FDP on “Emerging Areas of Cyber Security”, held from 24th november 2025 to 28th November 2025,conducted by the Department of Computer Science and Engineering (IoT/CS/BC), A. C. Patil College of Engineering, Kharghar, Navi Mumbai.
8	Er. Firoz Shaikh	FDP on “Emerging Areas of Cyber Security”, held from 24th november 2025 to 28th November 2025,conducted by the Department of Computer Science and Engineering (IoT/CS/BC), A. C. Patil College of Engineering, Kharghar, Navi Mumbai.
9	Er. Samana Jafri	FDP on “Emerging Areas of Cyber Security”, held from 24th november 2025 to 28th November 2025,conducted by the Department of Computer Science and Engineering (IoT/CS/BC), A. C. Patil College of Engineering, Kharghar, Navi Mumbai..

Computer Science and Engineering

National-Level Achievement – Smart India Hackathon (SIH) 2025

- Team Name: Pixel-Minds
- Problem Statement: Blockchain-Based Carbon Credit System
- Nodal Centre: Shree Venkateshwara College of Engineering & Technology, Pondicherry
- Ministry: Ministry of Earth Sciences (MoES), Government of India
- Achievement: First Prize – National Level
- Prize Money: ₹1,50,000/-

Patent Achievement

Patent published: AI-Based Heart Rate Monitoring Device for Sports, Design No. 488619-001, dated 27 January 2026.

Dr. Ashfaq Shaikh, Associate Professor & I/c HOD, Computer Engineering, along with other contributors.

Computer Science & Engineering (AI & ML)

Student Achievements

1. Emotion-Aware Encryption Hackathon

Fauzan Ansari, SE – CSE (AI & ML), secured the 1st Runner-Up position in the Emotion-Aware Encryption Hackathon, organized by UnsaidTalks Education Pvt. Ltd. on 7 March 2026.

- Project Title: Emotion Cipher – An AI-Based Platform
- The project demonstrated an innovative integration of Artificial Intelligence and Cybersecurity.

2. Mastek Deep Blue Hackathon – Season 11

The team secured the 2nd Runner-Up position at Season 11 of the Mastek Deep Blue Hackathon, competing against 500+ teams from across India, and won a cash prize of ₹50,000/-.

- Team Leader: Mahek Mukadam – B.E., CSE (AI & ML)
- Team Member: Mohammed Nadeem Shaikh – B.E., CSE (AI & ML)
- Project: Symptom Checker with Multilingual Chatbot for Basic Healthcare Guidance

Project Exhibition and Competition

The R&D Cell of Anjuman-I-Islam's M.H. Saboo Siddik College of Engineering organized a Project Exhibition and Competition.

Software / IT – 1st Prize

- Team: CREOVATE
- Project Title: SINJ: A Synthetic Intelligence Network Junction for Monocular 3D Human Pose and Shape Estimation
- Students: Shaikh Mohammed Soban Sardar, Shaikh Irshad Hussein and Shaikh Mohammed Junaid

Computer Science & Engineering (IoT, CS & BCT)

Faculty Achievements – FDPs & Certifications

1. Er. Pragati Pal successfully completed an AICTE Training and Learning (ATAL) Academy Faculty Development Programme on “Periodic Innovations in Perspective of VLSI of Semiconductor ICs” at Shah and Anchor Kutchhi Engineering College, from 15–20 December 2025.
2. Er. Ghazala Khan attended an ISTE-approved One-Week FDP on “Emerging Trends in Cyber Security”, organized by the Department of CSE (IoT, CS & BCT), A.C. Patil College of Engineering, Kharghar, from 24–28 November 2025.
3. Er. Ghazala Khan successfully participated in a one-day FDP on “Mental & Physical Well-being for Sustainable Leadership”, organized by A.I.'s Allana Institute of Management Studies, Mumbai, on 9 October 2025.
4. Er. Mehek Qureshi attended the ISTE-approved One-Week FDP on “Emerging Trends in Cyber Security” from 24–28 November 2025.
5. Er. Mehek Qureshi successfully completed the AWS Academy Graduate – Cloud Security Foundations course.
6. Er. Samana Jafri completed the FDP on “Digital Transformation in Power System: AI, Blockchain & Cybersecurity (DTPS-2025)”, organized by Electronics and ICT Academy, NIT Patna and Dayalbagh Educational Institute, under MeitY, Government of India, from 18–30 August 2025.
7. Er. Samana Jafri completed the FDP on “AI and EV Synergy: Driving the Evolution of Next-Gen Smart Energy Systems (AI-EVS-2025)”, organized by the E&ICT Academies of NIT Patna and NIT Agartala under MeitY, Government of India, from 7–18 July 2025.
8. Er. Samana Jafri completed the FDP on “AI Mastery for Educators”, organized by Vishlesan-i-HUB, IIT Patna, from 15 May–7 June 2025.
9. Er. Samana Jafri attended the ISTE-approved One-Week FDP on “Emerging Trends in Cyber Security” from 24–28 November 2025.
10. Er. Pragati Pal attended the ISTE-approved One-Week FDP on “Emerging Trends in Cyber Security” from 24–28 November 2025.

Student Achievements

Maryam Usmani, B.E. CSE (IoT, CS & BCT), actively participated in the Hack2Skills – AI for Bharat (Kiro Heroes Weekly Challenge) and secured the following positions:

- Gold Winner – Week 3: Aero-Aviary – Integrates live aircraft and bird data to assess real-time bird-strike risks.
- Bronze Winner – Week 4: Retro AI Paint – Uses Agentic AI to transform nostalgic 1995 pixel sketches into high-fidelity artwork.
- Silver Winner – Week 6: The Smart-Silo Storage Referee – Enables farmers to make data-driven decisions through intelligent storage monitoring.

Information Technology

National-Level Achievement – Xcelerate2025

- Event: Xcelerate2025
- Organizing Body: India Oracle APEX User Group (INO AUG)
- Level: National
- Date & Venue: September 2025, Chennai
- Problem Statement / Theme: Innovative Solution for Education
- Solution Developed: Ascend APEX – A platform that bridges the gap between academia and industry
- Achievement: 1st Winner
- Prize Money: ₹1,00,000/-

Team Members:

- Abid Ahmed Shaikh – TE IT
- Mohammed Umar Ansari – TE IT
- Mohammed Fawaz Mulla – TE IT
- Mohammed Anas Nathani – TE IT

Faculty Mentor: Dr. Zainab Mirza, Assistant Professor & HoD, IT

Significance: A notable national-level achievement for the institution.

Student Achievement – AWS Virtual Internship

Completion of 3-Month AWS Virtual Internship

- 19 students successfully completed the AWS Capstone Project – 3-Month Virtual Internship Programme.
- Students gained practical exposure to Cloud Computing concepts and AWS services.
- The programme enhanced their hands-on skills, project development capabilities, and industry-oriented learning.

International Certification

Name: Abid Ahmed Ashfaq Shaikh

Class: TE – Information Technology Certification:

AWS Certified Cloud Practitioner

Issuing Organization: Amazon Web Services (AWS)

Validity: January 2026 – January 2029

A.I.'s A.R. Kalsekar Polytechnic, New Panvel:

The Academic Year 2025–26 was a landmark year for Abdul Razzak Kalsekar Polytechnic, marked by excellence in academics, innovation, industry engagement, and student development.

- Secured an “Excellent” Rating from MSBTE External Monitoring Committee in all academic departments, becoming the only institute in Raigad district to achieve this distinction.
- Institute toppers scored above 96%.
- Faculty received prestigious recognitions, including the Best Teacher Award, AICTE ATAL FDP sponsorship of ₹1 lakh, and two patents.
- Students won several state and national-level prizes in hackathons, project competitions, paper presentations, technical quizzes, and innovation challenges.
- 100 students successfully completed AWS Certification.
- Won MSBTE Raigad Zone Championships in Volleyball, Carrom, and Chess.
- Organized 30 industry visits and 36 expert lectures on emerging technologies and career development.
- Faculty participated in 73 professional development programmes.
- Conducted 11 entrepreneurship and innovation activities, along with various social, cultural, health, and student-development initiatives.

Overall, these achievements reflect the institute's strong commitment to academic excellence, innovation, research, industry collaboration, skill development, and holistic student growth.

Intake Capacity and Admission Status 2025-2026

Sr.No	Department	Intake capacity	Admitted

2	Computer Engineering	Excellent
3	AIML	Excellent
4	Mechatronics	Excellent
5	Automation & Robotics	Excellent

ACHIEVEMENTS AND AWARDS (23)

- Maharashtra State Board of Technical Education External Monitoring committee rated Excellent Rating to all department of ARKP. In Raigad district our Institute is only institute to have all departments in Excellent Rating
- ISO 9001-2015 Certification for quality Management & OBE @ AIARKP
- Institute Topper: 97.50: Ansari Khadija Abdul Samad Final year students of Automation & Robotics Department secure 97.50 % in MSBTE summer 2026 examination.
- Mr. Chandrakant Jadhav, Student of Mechanical Engineering Secured 82.89 at the age of 70 year.
- Mr. Shahid Sayed Faculty of AIML department received Best Teacher Award on 26th January 2026
- AICTE ATAL FDP Sponsorship (989 Participation)

Computer Engineering Department received AICTE Sponsored of Rs 1 lac for organizing ATAL FDP on AI in Education.

Total enrollment for the FDP was 989 faculties from all over the Country.

- Patent publication: Mrs Rupali Khadtar received two patents on crack detection and healing device and bacterial culture bioreactor.
- Winner: 26 students won the various prizes in Technical Quiz, Paper Presentation, Project Competition & other

Students Achievement at MSBTE Technical Events: 08

- Ms. Shaikh Mohammad Abbas & Ms. Faiz Nayak Final Year students of Computer Engineering Department for securing FIRST PRIZE in MSBTE Sponsored Technical Quiz Competition with 15000/- cash prize and certificate.
- Ms. Zaid Bharde, Arif Alam, Shaikh Mohammad Kaif & Ms. Qureshi Zaid students of Computer Engineering Department for securing FIRST PRIZE in Innovate You-Technathon 3.0 held at AISSMS ,Pune with 10000/- cash Prize, Trophy and Certificates.
- Mst. Shaikh Sadik, ,Naik Faiz, Shaikh Muzzammil & Karuna Mane Final Year students of Computer Engineering Department for securing FIRST PRIZE in CodeCartz a 24 hour Hackathon Competition held at Agnel Polytechnic with a cash prize 10000/- along with medal and certificate.
- Mst. Shaikh Mohammad Abbas & Mst. Faiz Nayak Final Year students of Computer Engineering Department for securing Consolation Prize in MSBTE Sponsored State Level Technical Paper Presentation Competition held at Vidyalankar Polytechnic with 5000/- cash Prize, Trophies & certificate.
- Civil Engineering Students Mann Saxena and Swayam Koli won Second Prize with cash prize of 7500/- in Prakalp project competition held at Pillai University Panvel on 14th March 2026
- Students of Civil Engineering Master Azad Mohammed Hayat and Ayaan Surve won First Prize in Technical Quiz Competition held at Johandhale Polytechnic
- Students of Mechanical Engineering Master Arman Shaikh and Suleman Sayyed won first prize in technical quiz competition held at Pillai University.

(17th July 2023) YCMOU discontinued the BBA program as per initiative from AICTE , the batch of 2022-23 completed their degree program in 2024-25 and all the students have cleared their final year exams.

Achievements:

1. NAAC/NIRF & AQAR: AQAR 2024 was submitted for both colleges. Regular IQAC meetings were conducted to strengthen NAAC and NIRF performance.
2. Research: National Research Conferences were organised in November 2024, resulting in 61 research papers published in ISBN books.
3. Faculty Development: FDPs were conducted for both institutions in February–March 2025.
4. Student Orientation & Industry Exposure: First-year orientation sessions were conducted by senior HR/L&D professionals from leading hotels. 240 students visited reputed hotels to gain practical exposure to hotel operations.
5. Internship Placements: 100% internship placement was achieved for 220 students across leading hotels and hospitality organisations.
6. Campus Placements: During 2025–26, 91 out of 164 eligible students secured placements through campus interviews with reputed hospitality organisations.
7. Career Counselling: Sessions on international higher education and career opportunities were conducted by leading education and career consultants.
8. Industry Readiness: The “Ace Your Interview” initiative and expert mock interview sessions were introduced to enhance students' interview and employability skills.
9. Industry Interaction: Elixir Consultants conducted a session on career growth and opportunities in the upscale restaurant sector.
10. Infrastructure: Major repairs, painting and electrical works were completed in preparation for the NAAC visit, with no major renovation work currently pending.

A.I.'s Dr. M.I.J. Tibbia Unani Medical College & Haji A.R. Kalsekar Hospital, Versova:

Approval of Grant-in-Aid Teaching Faculties : Our total 6 Govt. Aided Teaching Faculties, Govt. of Maharashtra and MUHS, Nashik has finally approved:

Sr. No.	Name of the Faculty	Designation	Department
1	Dr. Ansari Mushir	Assistant Professor	Ilmul Advia
2	Dr. Baig Ruqaiyya	Assistant Professor	Ilmul Saidla
3	Dr. Mohd. Yasir Mohd. Muslim	Assistant Professor	Moalajat
4	Dr. Humaira Ansari	Assistant Professor	Tahaffuzi wa Samaji Tib
5	Dr. Wazeef Momin	Assistant Professor	Tashreeh ul Badan
6	Dr. Amir Khan	Associate Professor	Munafeul Aza

Key Achievements

- Graduation Ceremony: Held on 17 May 2025 at Versova Campus Ground for the outgoing B.U.M.S. batch of 2019, with 59 doctors receiving completion certificates. The ceremony was graced by Mr. Liyaqat Ali Afaqui, IRS, and Mr. Haroon Khan, MLA, and presided over by the Hon'ble President, Dr. Zahir I. Kazi.

- Regulatory Approvals: Received NCISM permission for AY 2025–26 and MUHS continuation of affiliation during July–August 2025.
- Audits & Visits: Successfully completed AYUSH audit, technical visit, and NCISM–QCI rating visitation in July 2025.
- AIAPGET-2025: Over 10 students qualified for MD/MS admissions, demonstrating strong academic performance.
- QCI Accreditation: Achieved 4th Rank in India, 2nd Rank in Maharashtra, and “A” Grade Accreditation by the Quality Council of India for AY 2025–26.

Performance of our Students in AIAPGET-2025

- Community Outreach & NSS Activities: Participated in Tree Plantation, Swachhata Hi Seva, Tobacco-Free Campaign, Constitution Day, and TB-Free India Campaign.
- Educational Visit – 08.01.2026: Second-year BUMS students visited Maharashtra Nature Park, Mumbai, including observation of medicinal plants at the Herbal Garden under faculty supervision.

Key Achievements – Unani Medicine 2026

- National Unani Day 2026: Celebrated the 158th birth anniversary of Hakim Ajmal Khan. Our Hon. President, Dr. Zahir I. Kazi, was invited as Chief Guest at the CCRUM Valedictory Programme. Marathi translation of Common Unani Remedies was released and an MOU was signed with CCRUM, New Delhi.
- Institute National Conference: Organized National Unani Day and a National Conference on 16 February 2026, with felicitation of National, State & MUHS toppers and teachers and release of the Scholars MCQ Series.

- Faculty Recognition: Prof. (Dr.) Raashid Qazi served on NCISM Expert Committees and as Chairperson at the National Unani Day Scientific Session and received the Hakeem Khaleefatullah International Award.
- Research & Publications: Faculty contributed books, translations, peer-reviewed research papers and book chapters in Unani medicine and related fields.
- Academic & Institutional Development: Established a Digital Library with 400+ e-books, E-Granthalay and IT Cell; introduced biometric attendance; upgraded OPD/IPD facilities and pharmacy services; and strengthened research through Journal Clubs, guest lectures, CME programmes and faculty training.
- Collaborations & Faculty Development: Signed institutional MoUs, facilitated faculty participation in national conferences, research presentations and online professional courses, and enhanced academic and research networking.

A.I.'s Akbar Peerbhoy College of Commerce & Economics:

ACADEMIC AND RESEARCH ACTIVITIES

1. Multidisciplinary National Conference: A one-day conference was organized on 25 April 2026 on “Atmanirbhar Bharat: Cultivating Resilience through Start-ups and Sustainable Development,” promoting research, innovation, entrepreneurship, and sustainability.
2. ISRO Nodal Centre: The College was selected as an ISRO Nodal Centre on 2 June 2025, promoting scientific temper, space research, and innovation among students.
3. Faculty Development Programme: A programme on “Advantages of Artificial Intelligence in Quality Education” was organized on 4 October 2025, focusing on AI-enabled teaching, learning, research, and academic excellence.
4. PO and CO Orientation: IQAC and the Research Cell conducted a session on Programme Outcomes (POs) and Course Outcomes (COs) on 2 August 2025, strengthening outcome-based education practices under NEP.
5. APAS Workshop: IQAC organized a workshop on the revised Annual Performance Appraisal System (APAS), familiarizing faculty and staff with appraisal procedures, documentation, and evaluation parameters.

Activities & Achievements

- Online Investment Awareness Programme: Organized on 2 May 2026 in collaboration with Family First Guidance Centre, focusing on financial literacy, investment planning, and financial discipline.
- Cluster Meeting: Held on 28 April 2026 to plan academic collaboration, resource sharing, and joint quality enhancement initiatives.
- NEET Examination Centre: The College was selected as an examination centre for NEET, reflecting its strong administrative capabilities.
- Faculty Ph.D. Achievements: Mr. Sameer Naik (Accounts) and Mrs. Kirti Menghani (Commerce) were awarded Ph.D. degrees in Business Policy and Administration by the University of Mumbai in April 2026, under the guidance of Prof. Dr. Shaukat Ali.

CURRICULAR/EXTRA-CURRICULAR ACTIVITIES

- Alumni Interaction: Mr. Salman Sayyed (9 August 2025) motivated students to explore entrepreneurship and self-employment.
- RBI Monetary Museum Visit: B.Sc. Data Science students gained practical knowledge of India's monetary and banking system.
- PPT Competition: 29 students participated, enhancing research, presentation, and communication skills.

- Launch Pad Live: Students developed and launched three innovative products, promoting entrepreneurship and practical business skills.
- Skill Development Awareness Programme: Students were encouraged to pursue industry-relevant skills and professional certifications.
- Scholarship Guidance Workshop: Students received guidance on eligibility, documentation, and online scholarship applications.
- Navneet Book Factory Visit: Self-financing course students gained practical exposure to manufacturing, quality control, and industrial operations.
- Guidance & Placement Activities: Career guidance and placement support were provided to students.

CAREER GUIDANCE AND PLACEMENT ACTIVITIES

- Career Guidance Session on Finance, Accounting and Securities Market was conducted on 24 September 2025, providing students with insights into career options and professional qualifications.
- Mock Interview Session was conducted by an HR Consultant on 1 December 2025 to enhance interview skills and confidence.
- Professional Grooming Session for TYB.Sc. IT students focused on communication, personality development and workplace etiquette.
- Postgraduate Entrance Examination Awareness Session was organized in collaboration with Allana Institute of Management to guide students on higher education opportunities.
- AI Awareness Session was conducted by Red Bus Organization on 12 February 2026, introducing students to emerging AI technologies and career opportunities.
- Creative Workshop was organized with Arena Animation, CST, on 20 February 2026, providing exposure to animation, designing and multimedia careers.
- Mega Job Fair was organized on 2 April 2026, connecting students with reputed recruiters and enhancing their employability and industry exposure.

CULTURAL ACTIVITIES

- Hamd-o-Naat Competition was organized on 11 December 2025 to promote devotional, cultural and spiritual values.
- Talent Hunt Competition was held on 16 December 2025, encouraging students to showcase their talents in music, dance, drama and creative arts.
- Jashn-e-Anjuman – Annual Cultural Festival was celebrated in January 2026, featuring Bait-Bazi, Seerat-Un-Nabi Elocution, indoor games and stage events.
- JAM – Intercollegiate Annual Fest was organized by the BAMAC section, featuring debates, ad-mad shows, open mic and content writing competitions.

XTENSION/COMMUNITY ENGAGEMENT ACTIVITIES

- NSS Documentation & Correction Camp – Assisted students and community members with documentation services.
- Substance Abuse Awareness Programme – Conducted with Family First Guidance Centre to promote a healthy, drug-free lifestyle.
- NSS Orientation Programme – Introduced new volunteers to NSS objectives and community service.
- Partition Horrors Remembrance Day & Independence Day – Promoted peace, national unity, patriotism and communal harmony.

- POCSO Awareness Workshop – Organized with Sakhi NGO to promote child safety and legal awareness.
- Blood Donation Drive – Conducted with J.J. Hospital, collecting 57 units of blood.
- Civic Rights & RTI Awareness Workshop – Promoted awareness of civic rights, transparency and responsible citizenship.
- Peace & Communal Harmony Programme – Encouraged tolerance, unity and peaceful coexistence.
- World Mental Health Day Programme – Focused on emotional well-being and healthy relationships.
- Run for Unity & Vande Mataram Programme – Promoted national integration, patriotism and social harmony.
- Constitution Day & Minorities Rights Day – Created awareness about constitutional and minority rights, equality and inclusion.
- HIV/AIDS Awareness Programme – Educated students on prevention and social awareness.
- PAN Card Correction Camp & Voter Awareness Programme – Provided community assistance and promoted civic participation.
- National Youth Day – Run for Swadeshi – Encouraged self-reliance, nationalism and youth empowerment.
- DLLE Visit to Baba Ashram, Vasai – Promoted empathy and respect for senior citizens.
- NSS Seven-Day Residential Camp at Komalwadi, Neral (11–17 December 2025) – Conducted cleanliness, health awareness, tree plantation and community development activities.

SPORTS ACTIVITIES

- International Yoga Day was celebrated on 21 June 2025, promoting physical fitness, mental well-being and a healthy lifestyle.
- AP-T-10 Intercollegiate Cricket Competition was organized on 24 December 2025, promoting sportsmanship and teamwork. Shroff College emerged as the winner.
- Annual Sports Day was celebrated on 6 February 2026 with events including running, relay, shot put, high jump and tug of war. Outstanding sportspersons were felicitated with trophies and certificates.

FACULTY / STUDENTS ACHIEVEMENTS

- Dr. Smita Salunkhe was invited as a speaker at the 4th Global Summit on Earth Science & Climate Change, Berlin, and presented a research paper.
- Dr. Rajesh Bhoite served as a resource person and session chair at national and international conferences and received a Merit Certificate for Patent Development.
- Dr. Kirti Menghani presented research at an international conference and served as a Resource Person for UGC Faculty Induction Programme.
- Dr. Hemanth Kumar Jonnalla was appointed External Peer Team Member of IQAC, Burhani College.
- Dr. Balchandra Karbhari, Mrs. Vaishali Bankar, Dr. Abbas Rizvi, Mr. Arif Mohd. and Dr. Smita Salunkhe were promoted under University CAS.
- Mr. Ahtesham Shaikh completed his Ph.D. from the University of Mumbai and was nominated to the Editorial Board of Research Vishwa Journal.
- Prof. Dr. Shaukat Ali served as a Resource Person for a research process seminar.
- Dr. Hanif Lakdawala was appointed as an Expert Member of the Academic Council, Usha Pravin Gandhi College.
- Mr. Abdul Rehman (SYB.Com) received a Participation Certificate in a University-level essay competition.

- Ms. Shaikh Aafra Mohd. Ilyas Shehnaz secured the highest percentage in B.Sc. Data Science Semester VI, University of Mumbai.

ALUMNI ACHIEVEMENT

- Mr. Hussain Kalsekar, alumnus, received the Rashtriya Ashoka Samman in New Delhi, presented by the Governor of Assam.
- He was honoured as Best Digital Marketing Leader by Spirit 360 for his outstanding international contribution.
- He was also recognized as Game-Changing Founder & CEO in Digital Marketing at the Maharashtra Excellence Awards 2026 held at Radisson Blu.

Conducted a 30-hour Soft Skills Certificate Course and promoted SWAYAM online courses to enhance communication, leadership, decision-making and employability skills.

- **Student Achievements:**

Students secured the Best Reel Making Trophy at Jallosh Navutsav 2026 and 1st Prize in Tyohaar Tadka at Emblazon 2025–26.

- **Health & Institutional Collaboration:**

Dental and eye health camp organized with MGM Hospital, Vashi on 25 March 2026. Seerat Un Nabi Series and chart-making competition also conducted.

A.I.'s A.D. Bawla Female Orphanage, Versova:

Abdullah Dawood Bawla Female Orphanage was established on December 12, 1910, at Byculla, Mumbai. On June 19, 1957, the Bombay Civil Court passed a decree appointing Anjuman-I-Islam as the sole trustee of the Trust.

Thereafter, in 1987, Anjuman-I-Islam purchased a plot at Versova, Mumbai, and the orphanage was shifted to 60, Yari Road, Versova, Andheri West, where it continues to function today. To date, the institution has served more than 1,040 beneficiaries.

The orphanage receives funding through donations, grants, and sponsorships, which are essential for its operations and various programmes. We follow all applicable norms and standards under the Juvenile Justice (Care and Protection of Children) Act, 2015.

Mission

- To provide care, protection, education, and support to orphaned and destitute girls aged 6–18 years, empowering them to become independent, responsible, and good citizens.

Capacity

- The orphanage has a capacity to accommodate 200 inmates. At present, 101 inmates are residing in the institution.

Infrastructure

- The orphanage has four dormitories with attached bathrooms, toilets, and dressing rooms, along with residential staff rooms, two kitchens, three storerooms, a dining hall, study room, computer lab, recreation hall, meeting room, counsellor's room, play area, and playground.

SSC Examination 2025: Result was declared on May 12, 2025. The results of three mediums were as under:

Mediums	Appeared	Distinction	First	Second	Pass
Urdu	12	02	01	08	01
English	01	-	01	-	-
Marathi	01	-		01	-

'Guardians of Dreams' - An NGO awarded **scholastic scholarship of Rs. 25000** each to two inmates for **S. S. C. March 2025 Results**. Amount was disbursed in their personal account in three instalments:

Name	Percentage
Heena Aslam Shaikh	78%
Sabereen	75%

The following ex-Bawla inmates are undergoing their **higher education**:

Name	Qualification	College
Uzma Abdul Karim Shaikh	M.A in Psychology (Second Year)	M.P. Shah Women's College
Heena Babu	MMS (Second Year)	AIAIMS College
